

Kosher Dill Pickles and Condiments

Famous for Flavor Since 1925®

Chipico (Chicago Pickle Company), a division of Vienna Beef, has been making refrigerated kosher dill pickles and condiments since 1925. Our pickles and condiments are picked, packed, brined, and shipped daily to assure peak flavor and to maximum crunch offer the perfect sandwich compliments.

Who We Are

Vienna® Beef, Ltd. is a privately-owned family business with an insatiable passion for providing high quality, delicious food. Vienna's heritage began at Chicago's World's Fair / Colombian Exposition in 1893 with the introduction of our iconic frank, now known as Chicago's Hot Dog™. Vienna has expanded into fresh packed refrigerated pickles under both our Chipico and Vienna labels. We have two, strategically located, pickle manufacturing facilities in California and Florida to assure maximum distribution coverage for our customers, as well as close proximity to our cucumber growing locations.

Pickle Features

- Always refrigerated for perfect crunch
- Kosher Certified
- Gluten Free
- Fresh vine-ripened cucumbers
- Cured fresh, never cooked
- No high fructose corn syrup
- Available as Wholes, Halves, Spears, Planks, and Chips

Quality Is Our #1 Priority

- The finest, freshest most flavorful, vine-ripened cucumbers are inspected in the fields upon receipt to assure only the highest quality product enters our processing lines
- Cucumbers are rinsed, scrubbed and carefully hand-sorted prior to being sliced and packed
- Our hand-mixed chilled and seasoned brines are prepared with the same care today, as they were over 95 years ago

Unwavering Food Safety

- Each step in the manufacturing process is checked and documented by our quality assurance team to assure that our rigorous quality and safety specifications are achieved
- Both manufacturing facilities are SQF Certified*, FSMA Compliant, Kosher Ⓢ, and have received nothing less than excellent scores in current and recent audits
- From receipt at our door, to delivery at your door, our products are refrigerated to maintain the highest quality and safety

* SQF Food Safety Code for Manufacturing, formerly SQF Level 2
